

Memphis, TN– February 25-26

In partnership with Tennessee Baptist Convention, Mid-South Baptist Association and Send Relief, **we want to bless Memphis, bless schools, bless bi-vocational pastors, and bless churches being revitalized.**

* Projects could include: light construction, serving first responders, serving at local food pantries, park cleanup and landscaping, caring for the homeless, serving first responders, providing medical and dental assistance, providing a playground for a local school, reroofing a bi-vocational pastor's home, providing sports camps and block parties, cultivating community gardens, and much more.

In partnership, we seek to inspire and motivate churches to collaborate in meeting needs and changing lives for the sake of the gospel.
